Editors

We hope we have captured many memories for you in this yearbook. As we looked through the pictures and outlined the book, we realized how much fun we've actually had.

We'd like to thank our junior editors and staff for all their time and effort. Good luck with this baby!

To the graduating seniors — try to remember all the fun we had — not the depentions, long hours and homework!!

Good luck in attaining your dreams,

Shelli Fombelle
